## **How Will it Work?**

### **Promotion:**

1. Direct to Tri Clubs, Associations, Charitable Organizations, Fraternal Organizations
2. EHLMS web site will reference “Club Competition-Contact your club president for details”

### **Registration/Discount Administration:**

1. On-line
  - a. Club affiliation must be selected while registering On-line.
  - b. CLUBS MUST LET US KNOW IN ADVANCE TO BE LISTED AS A PARTICIPATING CLUB. YOUR CLUB IS LISTED IF YOU PARTICIPATED LAST YEAR.
  - c. Clubs should provide rosters (name and city only) of members for use at check-in on 6/27/2008.
  - d. You will be provided lists of those persons indicating membership in your club for review
2. Mail-in – No mail in registration, On-line registration only
3. Event registration change fees apply to changes in club members' registrations

### **Scoring:**

1. Top five finishers (must have five finishers!) based on place in age group division, not on finish time
2. Qualifying teams must include at least one female. If a female is not in the top five, the fifth man will be dropped and the next-best finishing female will be included
3. Placings from either event (Sprint or Olympic) are used, so the winning teams can be composed of members from the long or the short event
4. Scores (age group division place number) are summed for the final score. Like in golf, low score determines winners.
